

FOOD BYTE

Group #1

Akshay, Ashwin, Anvitha, Prince, Priyanka, Sarthak, Suraj, Yashasvi

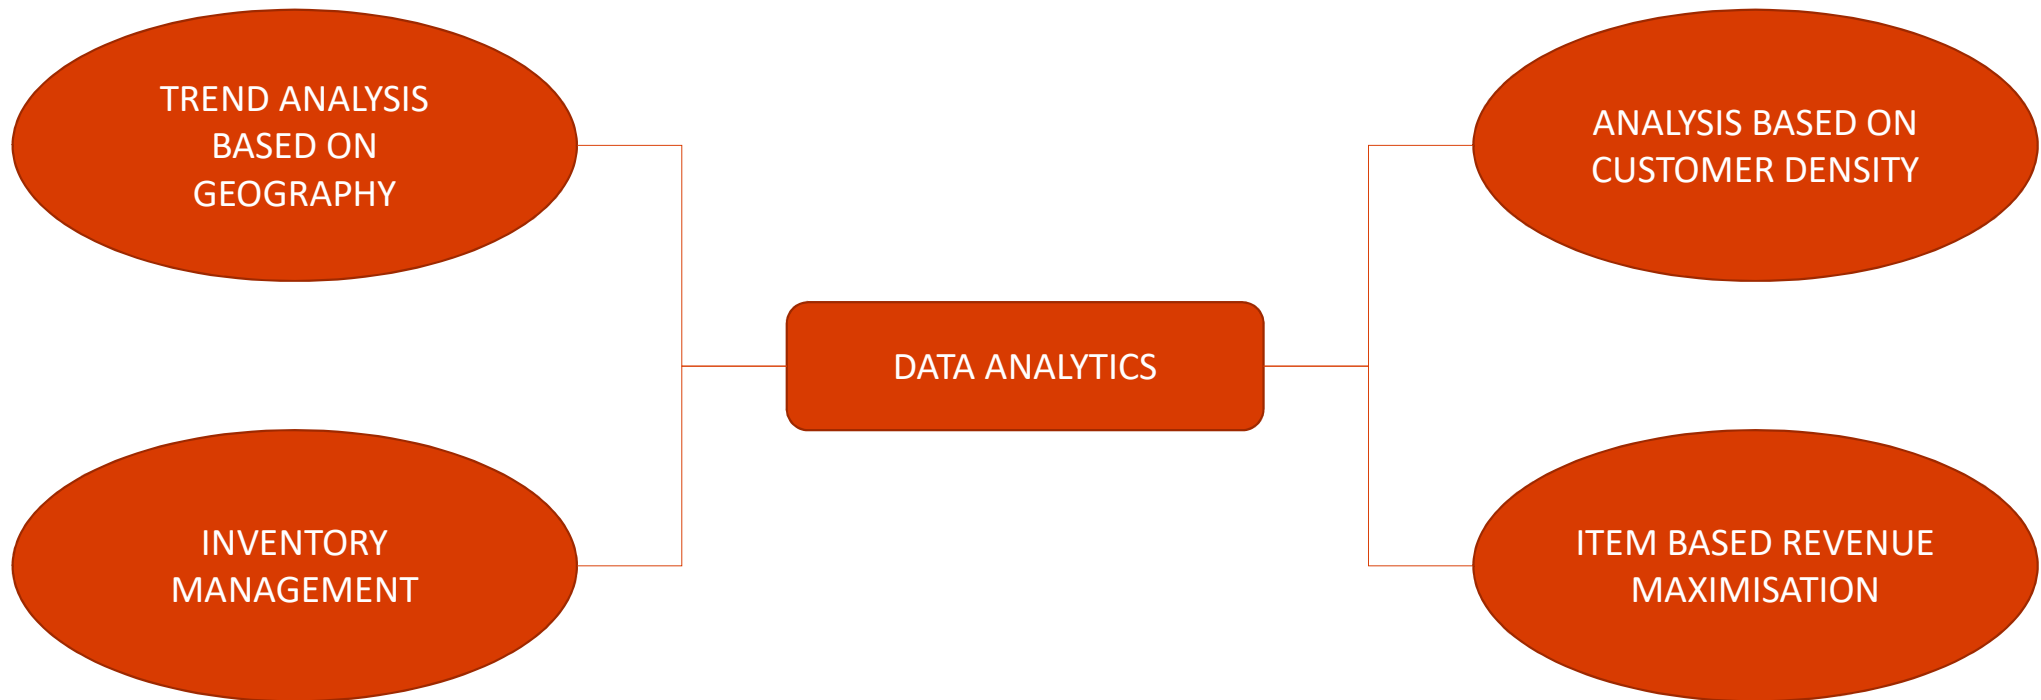

PRESENTATION & DEMO

OUR BIG IDEA

We aim to deliver an ubiquitous software solution to increase restaurant efficiency and profitability using Data Analytics and cutting down on overheads.
Also, we aim to predict and suggest customer and sales trends.

Data Analytics

Where we are now?

- User Interface – (P.O.S. & Manager)
- Dataset Creation
- Setting up our Inventory

Coming Soon...

- Clustering
- Prediction Algorithms

THANK YOU
